No more cutting and pasting! Automatically create itineraries by forwarding confirmation emails to plans@tripit.com			
Custom Itineraries: Add maps and directions, travel notes, photos, recommendations and more.			
Easy access, 24/7: Access your itinerary any time online, via mobile device, calendar feeds or social sites.			
Sharing: Share itineraries with family, friends, and co-workers to keep them in the know and connect with them on the road.			
Flight Refunds: If your airfare is eligible for a refund, you'll be the first to know.			
Mobile Alerts: Get mobile alerts or emails about flights delays, cancellations and gate changes.			
VIP Privileges: Complimentary one year memberships to Hertz #1 Club Gold and Regus Gold. VIP car rental and access to 1,100 business lounges worldwide (\$660 value).			
Alternate Flights: Get the best options for alternate flights to your destination including flight status and open seats.			
Auto-sharing: Add people like your spouse to your "Inner Circle," and they can automatically access all your trip details.			
Admins can create trips for travelers: forward emails to plans@tripit.com on behalf of your travelers and we'll create a trip for them.			
Travel Dashboards: At-a-glance view of what's booked for your travelers and who is going where.			
Team travel calendar and maps: See past and future travel on a calendar. Sort travel maps and calendars based upon location or functional work team.
